(Celebi) for the first control period of five years starting w.e.f. 01.04.2011 for providing Cargo Handling Services at IGI Airport, New Delhi. After due stakeholder consultation, the Authority issued a Multi Year Tariff Order No. 14/2011-12 dated 07.10.2011 wherein the Authority decided to adopt light touch approach for determination of the tariff for the first five year control period w.e.f. 01.04.2011.

2. Subsequently the Authority has, after due stakeholder consultation, approved the annual tariff proposals submitted by Celebi for first, second and third tariff year(s) vide Order No. 11/2012-13 dated 03.08.2012 and Order No. 35/2013-14 dated 06.12.2013 for rendering cargo handling services at IGI Airport, New Delhi.

3. In terms of the Airports Economic Regulatory Authority of India (Terms and conditions for Determination of Tariff for Services provided for Cargo facility, Ground Handling and Supply of Fuel to the Aircraft) Guidelines 2011, Celebi is required to submit their Annual Tariff Proposal (ATP) for fourth tariff year to the Authority for its consideration, at least 75 days prior to the start of the Tariff Year.

4.1 Celebi, vide letter no. nil dated 21.03.2014, requested for extension of time for submission of Annual Tariff Proposal (ATP) for fourth tariff year i.e. 2014-15, upto 30.06.2014 and also proposed to continue their existing tariff till the date their ATP for fourth tariff year (2014-15) is approved. The Authority has considered the proposal and accepted the request of Celebi for extension of time for submission of ATP for fourth tariff year, upto 30.06.2014.

4.2 The Authority, further noted that the current tariffs for cargo handling services provided by Celebi, were determined after due stakeholder consultation and Celebi now, has requested for continuing the tariff(s) as approved by the Authority for the third tariff year vide Order No. 35/2013-14 dated 06.12.2013.
