Sub: Annual Tariff Proposal (ATP) for the Third Control Period (FY2023-2027) for JIA

Ref: Consultation Paper No. 26/2023-24 dated 11th March 2024 (CP) in the matter of determination of aeronautical tariff for Jaipur International Airport (JIA) for the Third Control Period (TCP)

Dear Sir,

This has reference to the subject CP published by the Authority, in the matter of determination of aeronautical tariffs for Jaipur International Airport Limited (JIAL) who is an operator of JIA for the Third Control Period beginning from 1st April 2022 to 31st March 2027.

At the outset, JIAL and Adani group would like to appreciate the hard work put in by the Authority while conducting the due diligence of our MYTP for the TCP and releasing the CP of JIAL in a timebound manner.

JIAL would be submitting detailed responses with respect to the proposals put forth by the Authority in the CP as part of the stakeholder's consultation process within the stipulated period. We request the Authority to kindly consider our submissions/responses while finalizing the Aggregate Revenue Requirement (ARR) for the TCP.

As per the requirement mentioned under CP, we hereby submit ATP for JIA as under:-

1. The effective date for the revised tariff implementation has been considered as 1st June 2024 for the purpose of ATP.
2. The rate cards proposed by JIAL are provided as:-
 - a. **Annexure A** – Landing, Parking, User Development Fees (UDF), X-ray Screening Charges and Fuel Infrastructure Charges
 - b. **Annexure B** – Domestic and International cargo handling services

3. While calculating the Target revenues in present value terms and to propose the new tariff card, JIAL has appropriately assumed the recovery of various revenue streams till 31st May 2024 as per existing applicable tariff cards as approved by the Authority time to time as follows: -
 - a. Order No. 22/2020-21 dated 6th October 2021 approving the levy of the Aeronautical Charges and its extension from time to time.
 - b. Order no. 03/2023-24 dated 20th April 2023 approving the Ad-hoc charges for Domestic Cargo Handling Services and its extension from time to time.
4. JIAL has considered the billable traffic (**refer Annexure C for calculation of billable traffic**) which is derived based on the total traffic as considered in the CP.
5. JIAL has considered the future projection of revenues of other aeronautical streams like CUTE and Ground Handling.
6. We hereby request AERA to kindly allow True-Up of the shortfall in the next control period along with necessary carrying cost, if any.

The tariff card has multiple variables like final ARR amount, mix of tariff structure (Landing Charges vs UDF), concession agreement obligation to pay true-up to AAI which is almost 30% of total ARR and effective date of new rates. We therefore request the Authority to kindly provide JIAL an opportunity to discuss the ATP, once the final ARR is determined.

Thanking You,

Yours Sincerely,
For **Jaipur International Airport Limited,**
