*Dear Mam,*

*Greetings.*

*We thank AERA for their efforts to roll out the consultation paper for Annual Tariff Proposal for FY1920 & FY2021 for the second control period for providing Ground Handling services at Kempegowda International airport.*

*We also welcome AERA's proposal to extend the timeline to accommodate responses from stakeholder under this pandemic situation. However, we request AERA to expedite the same after the deadline is completed. The final AERA order based on our request for a genuine increase in the ceiling rate, which is due to increase in concession fee and cost, will be a great relief for AISATS.*

*Thanks for your kind understanding.*

Regards,

**Sanjay Gupta**
