1. The validity of above panel shall be for five years, however the Authority reserves the right at its discretion to update the panel **every year** and AERA may add / delete any agency based on documents received towards stipulated eligibility criteria/performance of the consultancy services. AERA may also remove any agency from the Panel if it concludes that they have not demonstrated adequate capability of providing the required services in a professional manner or the quality of service is found to be inadequate after the award of contract.
2. Mere empanelment with AERA does not guarantee assignment of work to any of the empanelled agencies.
3. AERA reserves the right to invite techno commercial bids from empanelled agencies and evaluate the same based on QCBS, CBS or any other evaluation model as deemed fit for award of contract or may assign any project or study to the agency on nomination basis.

4. AERA will be at liberty to call open tenders, if desired, for any works/assignment and the Empanelled Agencies shall have no objection to this even if the work is for that category (i.e. 'A', 'B') for similar type of works. AERA further reserves the right to modify the evaluation criteria and take its own decision, if so required.
5. AERA reserves the right at its discretion to delist Empanelled agencies, who do not participate in consecutive 3 (Three) bids invited by AERA after empanelment.
6. AERA reserves the right at its discretion to assign any study to an independent professional or any premier academic institution.
7. AERA also reserves the right at its discretion to cancel this empanelment at any time without assigning any reason thereof.
