Subject: Determination of aeronautical tariffs at Netaji Subhash Chandra Bose International Airport, Kolkata for the second Control Period (01.04.2016 – 31.03.2021).

Dear Sir,

This has reference to the Consultation Paper number 19/2017-18 dated 1<sup>st</sup> September, 2017 seeking our comments on the subject Tariff proposal.

AERA has proposed Fuel Throughput charges Rs. 1478.94 per kl applicable from 01.10.2017 which we feel is on higher side as compared to other airports. We also wish to inform you that the land rentals charged at Kolkata Airport by AAI are on higher side which we have taken up with AAI for rationalization. View above we request you to rationalize the throughput charges also.

We shall abide by the decision taken by AERA. However any revision in **Fuel Throughput charges should be approved on prospective basis only.**

Thanking you,

Very truly yours,

Rajendra Thikekar
