7th April 2017**Sub: Public Notice no. 01/2017-18 - Stakeholder Consultation Meeting**

Kindly refer to your mail dated April 03, 2017 on the above subject. From the proposal we have observed that there will be a substantial increase of 6387% in rate per landing for international flights as earlier rate is of Rs. 250.50 for upto 100MT has been proposed to increase to Rs. 16250. Similarly, for above 100 MT, there will be an increase of 44.71% in rates.

Further, Parking and Housing charges too will increase substantially by more than 4100% (upto 100 MT) and for above 100 MT there is an increase of 41%.

Such a substantial increase will work against the end user and will add to the cost of doing business.

As per your annual report of 2015-16 AAI has a PAT of Rs. 2,537 crores and can absorb any cost escalation due to upgradation of facilities at the airport and it is therefore suggested that it maybe kept in abeyance for the present.

With Regards,

Yours sincerely,
