Subject: Reply to Consultation paper on Determination of Development Fee in respect of the Metro Connectivity Project for Chhatrapati Shivaji International Airport, Mumbai

Madam,

We acknowledge the receipt of above consultation paper from AERA.

We have reviewed the above consultation paper and as per our understanding that there would be no impact on cost of aeronautical services because of the proposed raise in Development Fee at MIAL. Hence, we do not have any comments on the consultation paper.

Thanking you,
