Dear Sir,

Sub:- Annual Tariff Proposal for first Control Period submitted by Kerala State Industrial Enterprises Limited for the services provided for Cargo Facility at Air Cargo Terminal, Thiruvananthapuram International Airport with effect from 01.01.2012.

Ref:- D.O Letter No. AERA/20010/MYTP-KSIE/TVM/C/2011-12/2380 dated 25th January, 2012.

Referring to the above, we have examined the Consultation Paper No.34/2011-12 dated 24/1/2012 issued by the Authority. We have no further comments to offer except to bring to the kind notice of the Authority that it is not practically possible to collect arrears from the Exporters / Importers and other customers even if a revision with retrospective effect is approved by the Authority. At the same time any delay in implementing the revised charges will be detrimental to the interest of the Company on account of increasing costs. Under the circumstances, we would request the Authority to expedite the approval for implementing the revised charges with prospective effect from 1/3/2012.

Thanking you,

Yours faithfully

For KERALA STATE INDUSTRIAL ENTERPRISES LTD.
