DO No.AAI/COM/931/Chennai/2012/

Dated: 30.11.2012

Subject: Annual Tariff Proposals submitted by M/s Cambata Aviation Private Limited for providing Ground Handling Services at Chennai International Airport Chennai

Dear *Capt. Chaudhary*

This has reference to your DO No. AERA / 20010 / MYTP / Cambata / GH / Chennai / 2011-12 / 2027 dated 26.11.2012.

It is noted that M/s Cambata Aviation Private Limited have submitted a Multi Year Tariff Proposal [MYTP] for first tariff year 01.04.2011 to 31.03.2012 and second tariff year 01.04.2012 to 31.03.2013 in respect of the services provided by them at Chennai International Airport, Chennai.

In this regard, we would like to inform you that AAI has already positioned a Ground Handling Agency and M/s Air India are also providing ground handling services as per Ground Handling Regulations - 2007 formulated by Government of India. Hence, M/s Cambata Aviation Private Limited carrying out ground handling activities at Chennai & Kolkata airports is not tenable as they are also one of the non-entitled agencies.

Hence, we request you to kindly not to further process the Multi Year Tariff Proposal for Chennai airport by any non-entitled agencies without the specific recommendation of the airport operator.

A confirmation in this regard will be highly appreciated.

Yours
