In this regard we wish to consider the following while passing an order:

1. For ITP charges as mentioned above for the third tariff year (2013-14), the revision may please be made effective prospective basis, applicable from the first day of the subsequent month, in which AERA issue order so that we do not suffer financial loss.
2. ITP charges as mentioned above for the fourth (2014-15) & fifth (2015-16) tariff period may be revised as proposed on prospective basis.

View above it is once again requested that revision in ITP charges may please be considered only on prospective basis to save us from financial losses as in the absence of prospective revision it may not possible to recover from the customers for the past period.

Thanking you,

Very truly yours,

R D Thikekar
