The Secretary,
Airports Economic Regulatory Authority of India,
AERA Building, Administrative Complex,
Safdarjung Airport,
New Delhi - 110 003.

Dear Sir,

Sub: - Response to the Consultation Paper No. 18/2013-14 dated 13.08.13, for Annual Tariff Proposal submitted for International Cargo Operations for FY 14 at CSI Airport, Mumbai

Ref: AERA letter No AERA/20010/MYTP/MIAL/2013-14/5/30 dated 18th November 2013

The Authority vide its letter dated 18th November, 2013 (received by us on 30th Nov 2013) has asked MIAL to submit the information in the forms attached with its letter. Please find enclosed the forms duly filled in as per the Authority's requirement.

The Authority is aware that the issue of demurrage is subject matter of an appeal filed by MIAL in AERA Appellate Tribunal. However, for the purposes of this tariff proposal for International cargo operations, we have included demurrage as part of cargo income, pending final outcome of the appeal, without prejudice to our contentions that it is in the nature of penalty for the goods not removed from the airport premises beyond a specified "free period" and it is not part of cargo income.

We request Authority's approval for Annual Tariff Proposal (ATP) for international cargo facility services at the earliest.

Thanking you,

Yours sincerely,
For Mumbai International Airport Pvt. Ltd.
