Subject: In the matter of determination of the Into Plane (ITP) charges being provided by M/s Indian Oil Sky tanking Private Limited (IOSL) at CSI Airport, Mumbai for the second control period (01.04.2016 – 31.03.2021)

Dear Sir,

This has reference to the Consultation Paper number 01/2017-18 dated 11th April, 2017 seeking our comments on the subject Tariff proposal.

M/s IOSL has proposed an increase of 34% from the existing tariff for 2016-17 and 8% increase on year over year for subsequent years of second control Period. It may be noted that ITP charges are pass through item and in the absence of any approval by AERA we were charging existing rates to our customers. Any revision from retrospective basis would make it difficult for us to recover the amount from our customers resulting in financial loss to us.

In View above, any revision in the Into Plane (ITP) charges should be approved on prospective basis only.

Thanking you,

Very truly yours,

S.S. Bramhe
