Subject: Stakeholder Comments on Consultation Paper No 06/2018-19 In the matter of Determination of Aeronautical Tariffs in respect of Indira Gandhi International Airport, Delhi with respect to Base Airport Charges, for the Second Control Period (01.04.2014 to 31.03.2019)

Dear Madam,

This is with reference to the consultation paper no 6/2018-19 dtd. 29th May'2018, while we appreciate your intention to honor the concession agreement in respect of Base Airport Charge however at the same time passenger interest should also be taken care of in terms of better service standard, airport connectivity etc.

Considering that a good airport infrastructure is the dire need of the country we request AERA to take a balanced approach to improve the passenger facility and amenities simultaneously honoring the terms of the concession agreement awarded by Gol which in case of such private airports was before the AERA Act.
