

MIAL/VPR/2018-19/05

21st June, 2018

To
The Secretary,
Airports Economic Regulatory Authority of India,
AERA building,
Safdarjung Airport,
New Delhi – 110 003

Madam,

Subject: Comments on AERA Consultation Paper no.06/ 2018-19 dated 29th May, 2018

Ref : In the matter of determination of Aeronautical Tariffs in respect of Indira Gandhi International Airport, Delhi with respect to Base Airport Charges.

The bidders for the airport had formulated their strategy during bidding process, based on the draft concession agreements and it was essential that the various provisions contained therein were fully honoured. Through the referred Consultation Paper in connection with Base Airport charges, the Airports Economic Regulation Authority (Authority) has recognized one of the important clause in the concession agreements of Delhi International Airport Ltd. (DIAL) and has demonstrated that the concessions awarded by the Government need to be respected and honoured. Such gesture by the Authority needs to be lauded.

We also wish to point out that in para 3.10 of the consultation paper, while discussing the application of BAC, in the last sentence, only 'BAC' has been mentioned at two places, while it should have been 'BAC plus 10%' at both such places.

We are in agreement with the treatment proposed by the Authority in Para 4 of the captioned Consultation Paper.

Thanking you,
For Mumbai International Airport Ltd.

(Sanjiv Bhargava)
Vice President (Regulatory & Taxation)
