Subject: CP 32 / 2018-19 dated 19th February 2019 : Annual Tariff proposal (T4 to T5) for the second control period in respect of M/s IndianOil Skytanking Private Limited (IOSL) for providing Into Plane Services at CSI Airport, Mumbai.

Dear Sir,

This has reference to the consultation paper 32/2018-19, BSSPL would like to submit our comments as under:

1. BSSPL is providing Into Plane Services at Mumbai Airport along with IOSL being the 2nd ITP operator.

2. Both BSSPL and IOSL were selected through a competitive bidding process conducted by Mumbai Aviation Fuel Farm Facility (MAFFFPL) and in line with our agreements, have historically operated at Mumbai on same ITP rates and service standards

3. The rates and other contract conditions for both the ITP service providers are identical.

4. As stated above, since both ITP service providers are required to match the contract conditions and service standards, the parity for ITP service tariff for both the ITP service providers needs to be maintained.

5. In view of the foregoing, it is recommended that the tariff revision of 5% sought by IOSL for year T4 and T5 of the 2nd Control period, may please be approved by AERA

Submitted for consideration.

Yours faithfully,

Akash Tiwari
