Subject: Request for tariff order for FY 2019-20 and FY 2020-21 of Celebi Delhi Cargo Terminal Management India Private Limited (Celebi) and the Consultation Paper No. 34 /2018-19 published by AERA dated 12th Mar'19 in this regard.

Ref: Public Notice No. 01/2019-20 dated 12th April, 2019.

Dear Sir,

We would like to thank your good office for considering and taking up our request / proposal for tariff order for FY 2019-20 and FY 2020-21.

Having gone through the mail dated 29th Mar'19 from Delhi Customs Clearing Agents Association (DCCAA), it seems that they have not gone carefully through the consultation paper no. 34/2018-19 dated 12th March, 2019 published in this regard by AERA. AERA has proposed 10% increase in tariff for FY 19-20 and 10% increase in tariff for FY 20-21 respectively, where as DCCAA has raised concern regarding Celebi's proposal of 30% and 17% increase in FY 19-20 and FY 20-21 respectively.

Hence, we would request you to kindly consider at least 15% and 10% increase in tariff for FY 19-20 and FY 20-21 respectively, which has also been agreed to by the relevant trade bodies and as represented by our letter ref. CELEBI/DEL/CEO/2019/03/190 dated 18th March, 2019.

We would like you for your kind consideration and would request you to issue the order at the earliest, to avoid any further loss due to delay in the order.

Yours Sincerely,

For Celebi Delhi Cargo Terminal Management (I) Private Limited
