Dear Sir/Madam,

Greetings from Lufthansa Group.

This is with reference to Consultation Paper No. 01/2026-27 dated 12 June 2026 issued by the Airports Economic Regulatory Authority of India (AERA) on the determination of Aeronautical Tariff for Kempegowda International Airport (BLR) for the Fourth Control Period (01 April 2026 to 31 March 2031).

Lufthansa Group has reviewed the International Air Transport Association's (IATA) submission titled "*IATA Response to AERA's Consultation Paper for the Determination of Aeronautical Tariff for Kempegowda International Airport (BLR), for the Fourth Control Period*" and concurs with the views and recommendations contained therein.

Accordingly, Lufthansa Group adopts IATA's submission as its response to the Consultation Paper.

Please find attached a copy of the IATA submission for ease of reference.

Yours faithfully,
Sarika Gandhi
